I can't remember how,
I can't remember when,
I came to be right here, living now within.

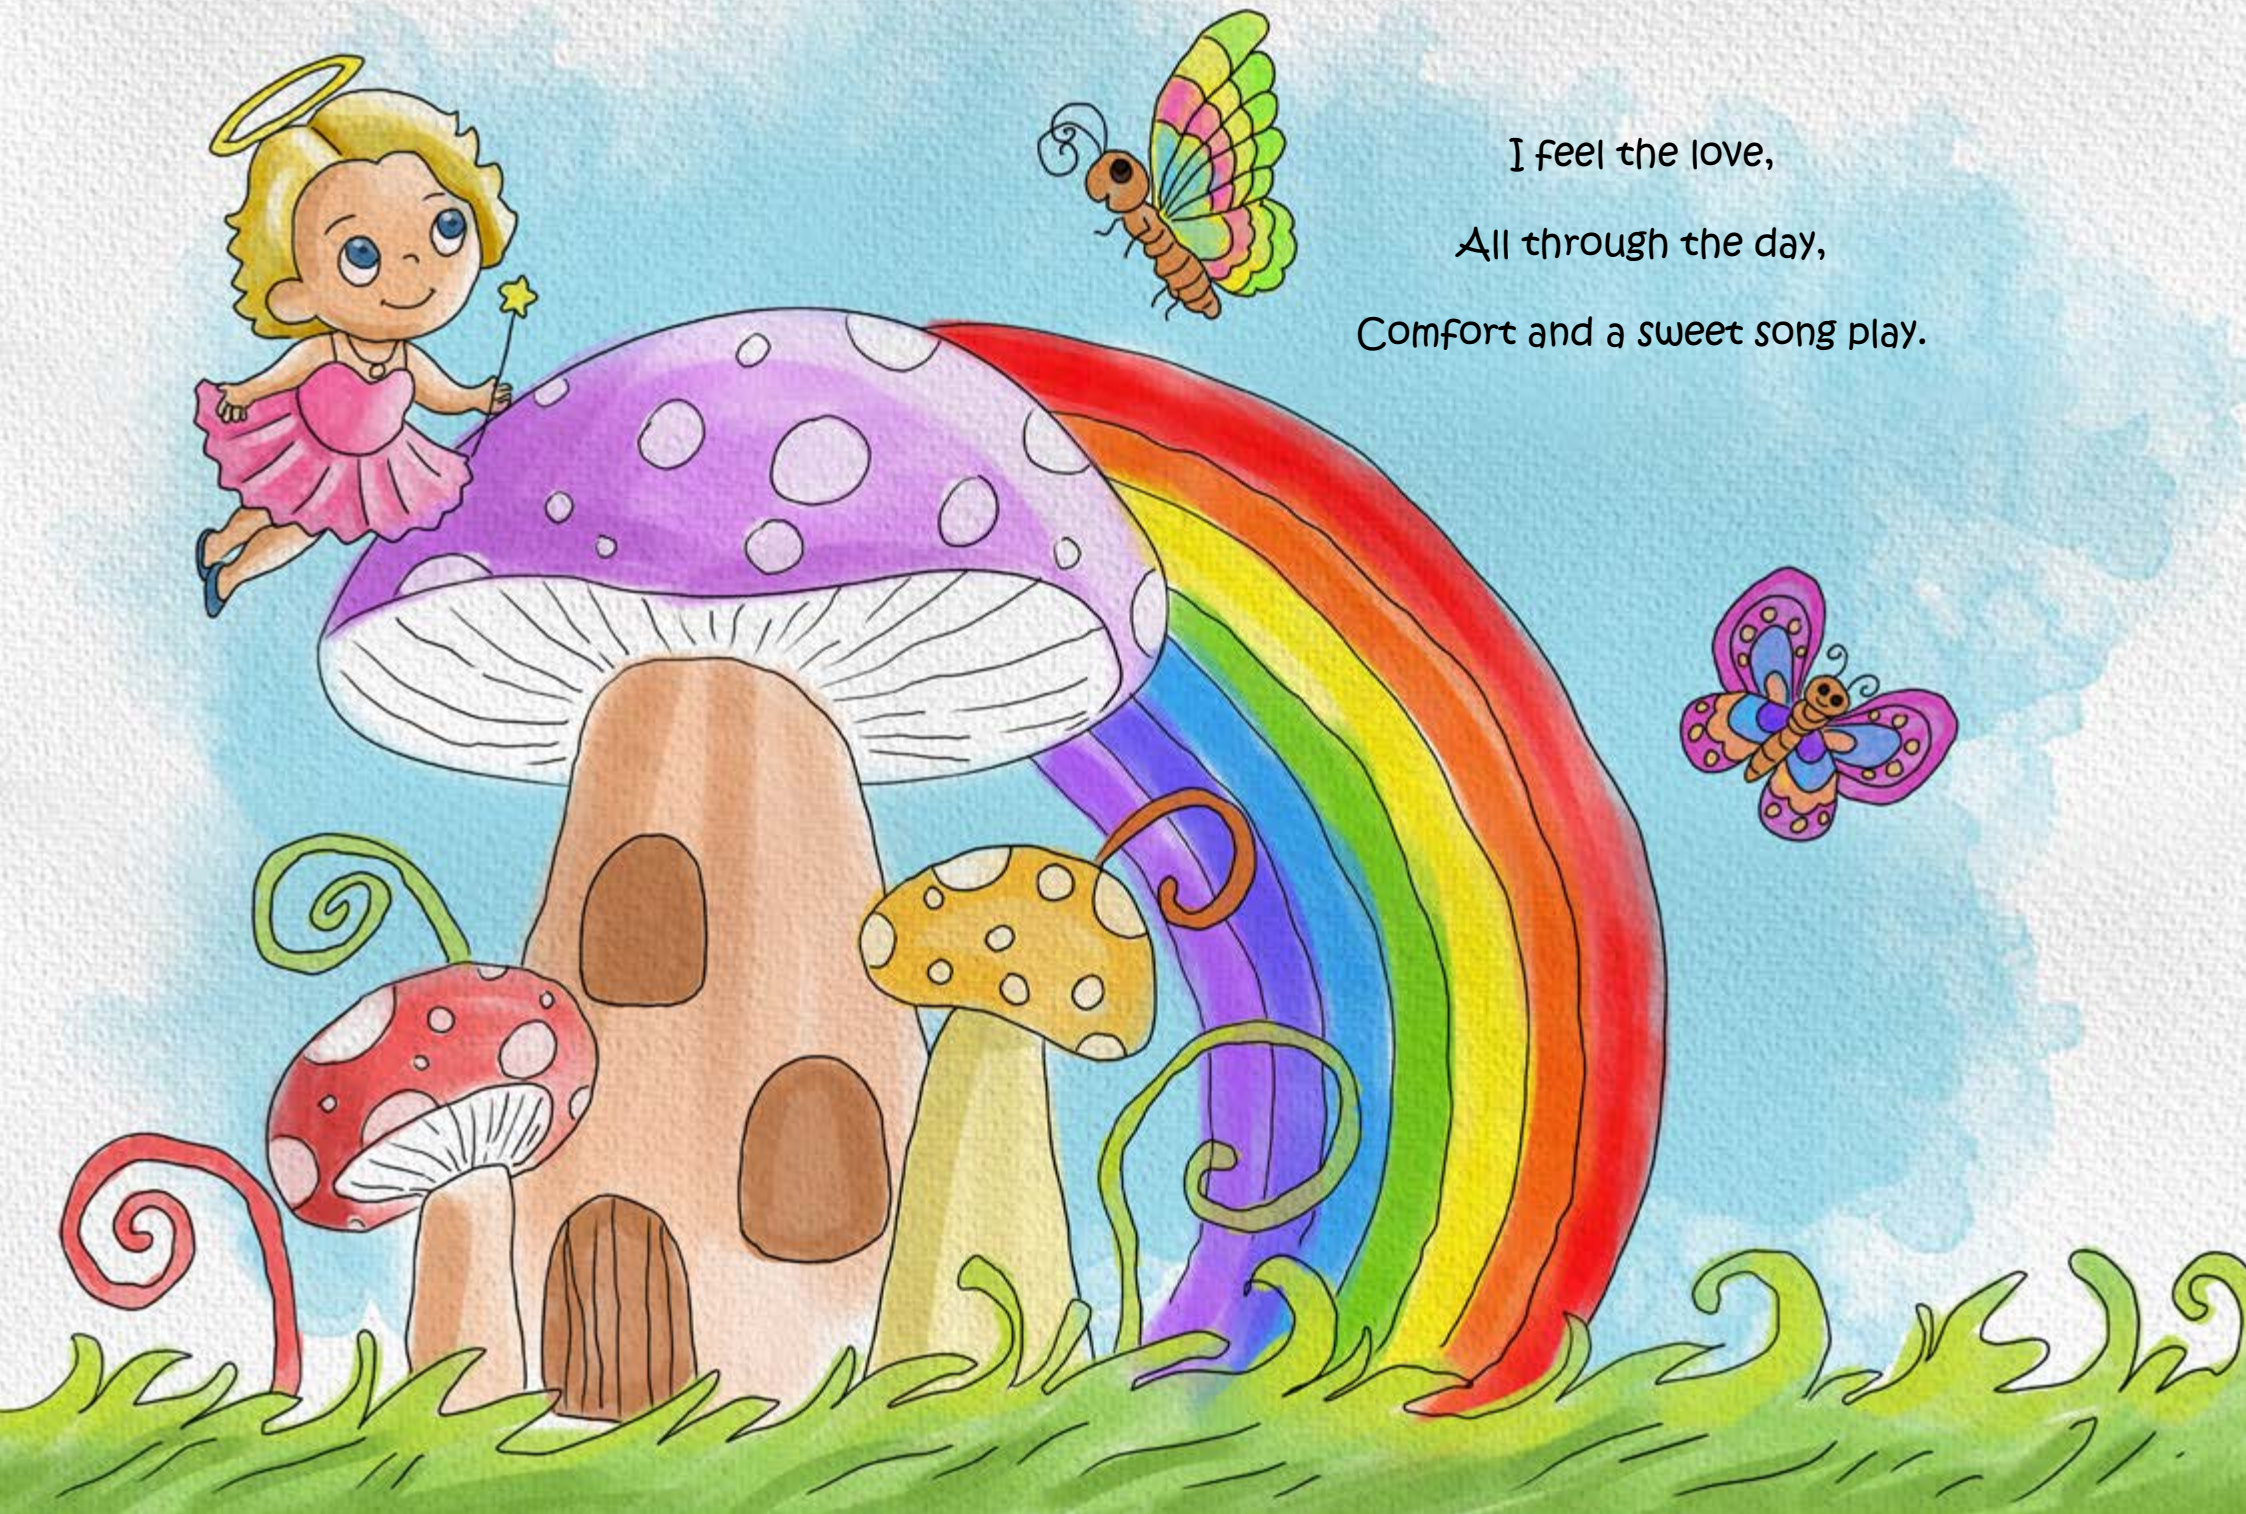

A Starry Starry Night,
Wraps me in delight,
Comforting me till the morning light.

Moonbeams shining bright,
The stars twinkle and glisten,
Owls are hooting their song.

I feel the love,
All through the day,
Comfort and a sweet song play.

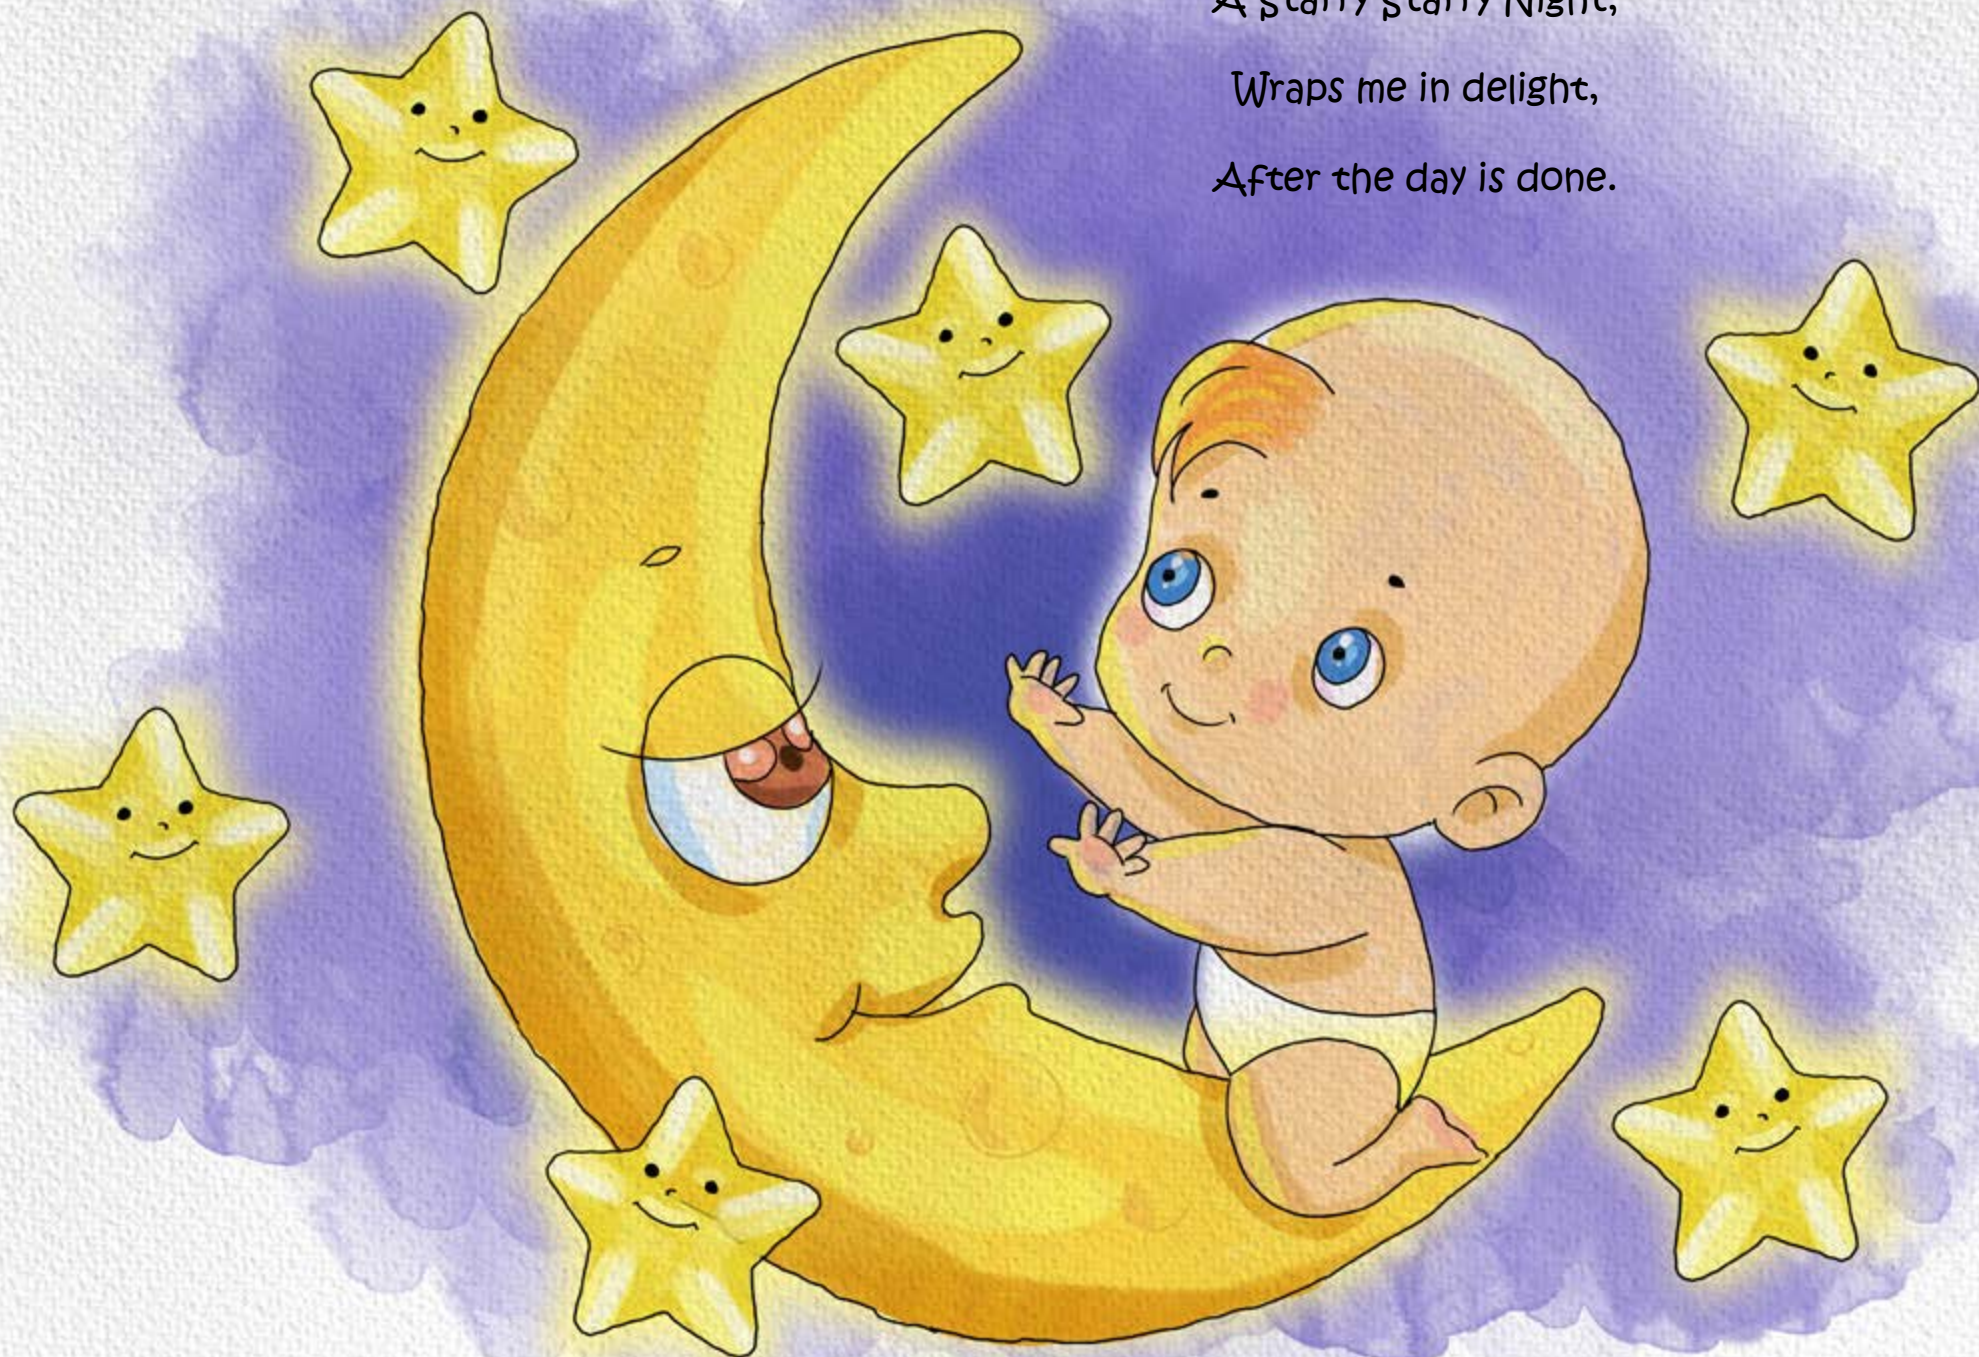

I hear love-filled voices,
Encouraging me along,
Soft and tender caresses, gentle and long.

My every want and need fulfilled,
Nourishing makes me strong.

A Starry Starry Night,
Wraps me in delight,
After the day is done.

The Moonbeams shine,
The stars gently wink,
Beckoning the rising Sun.

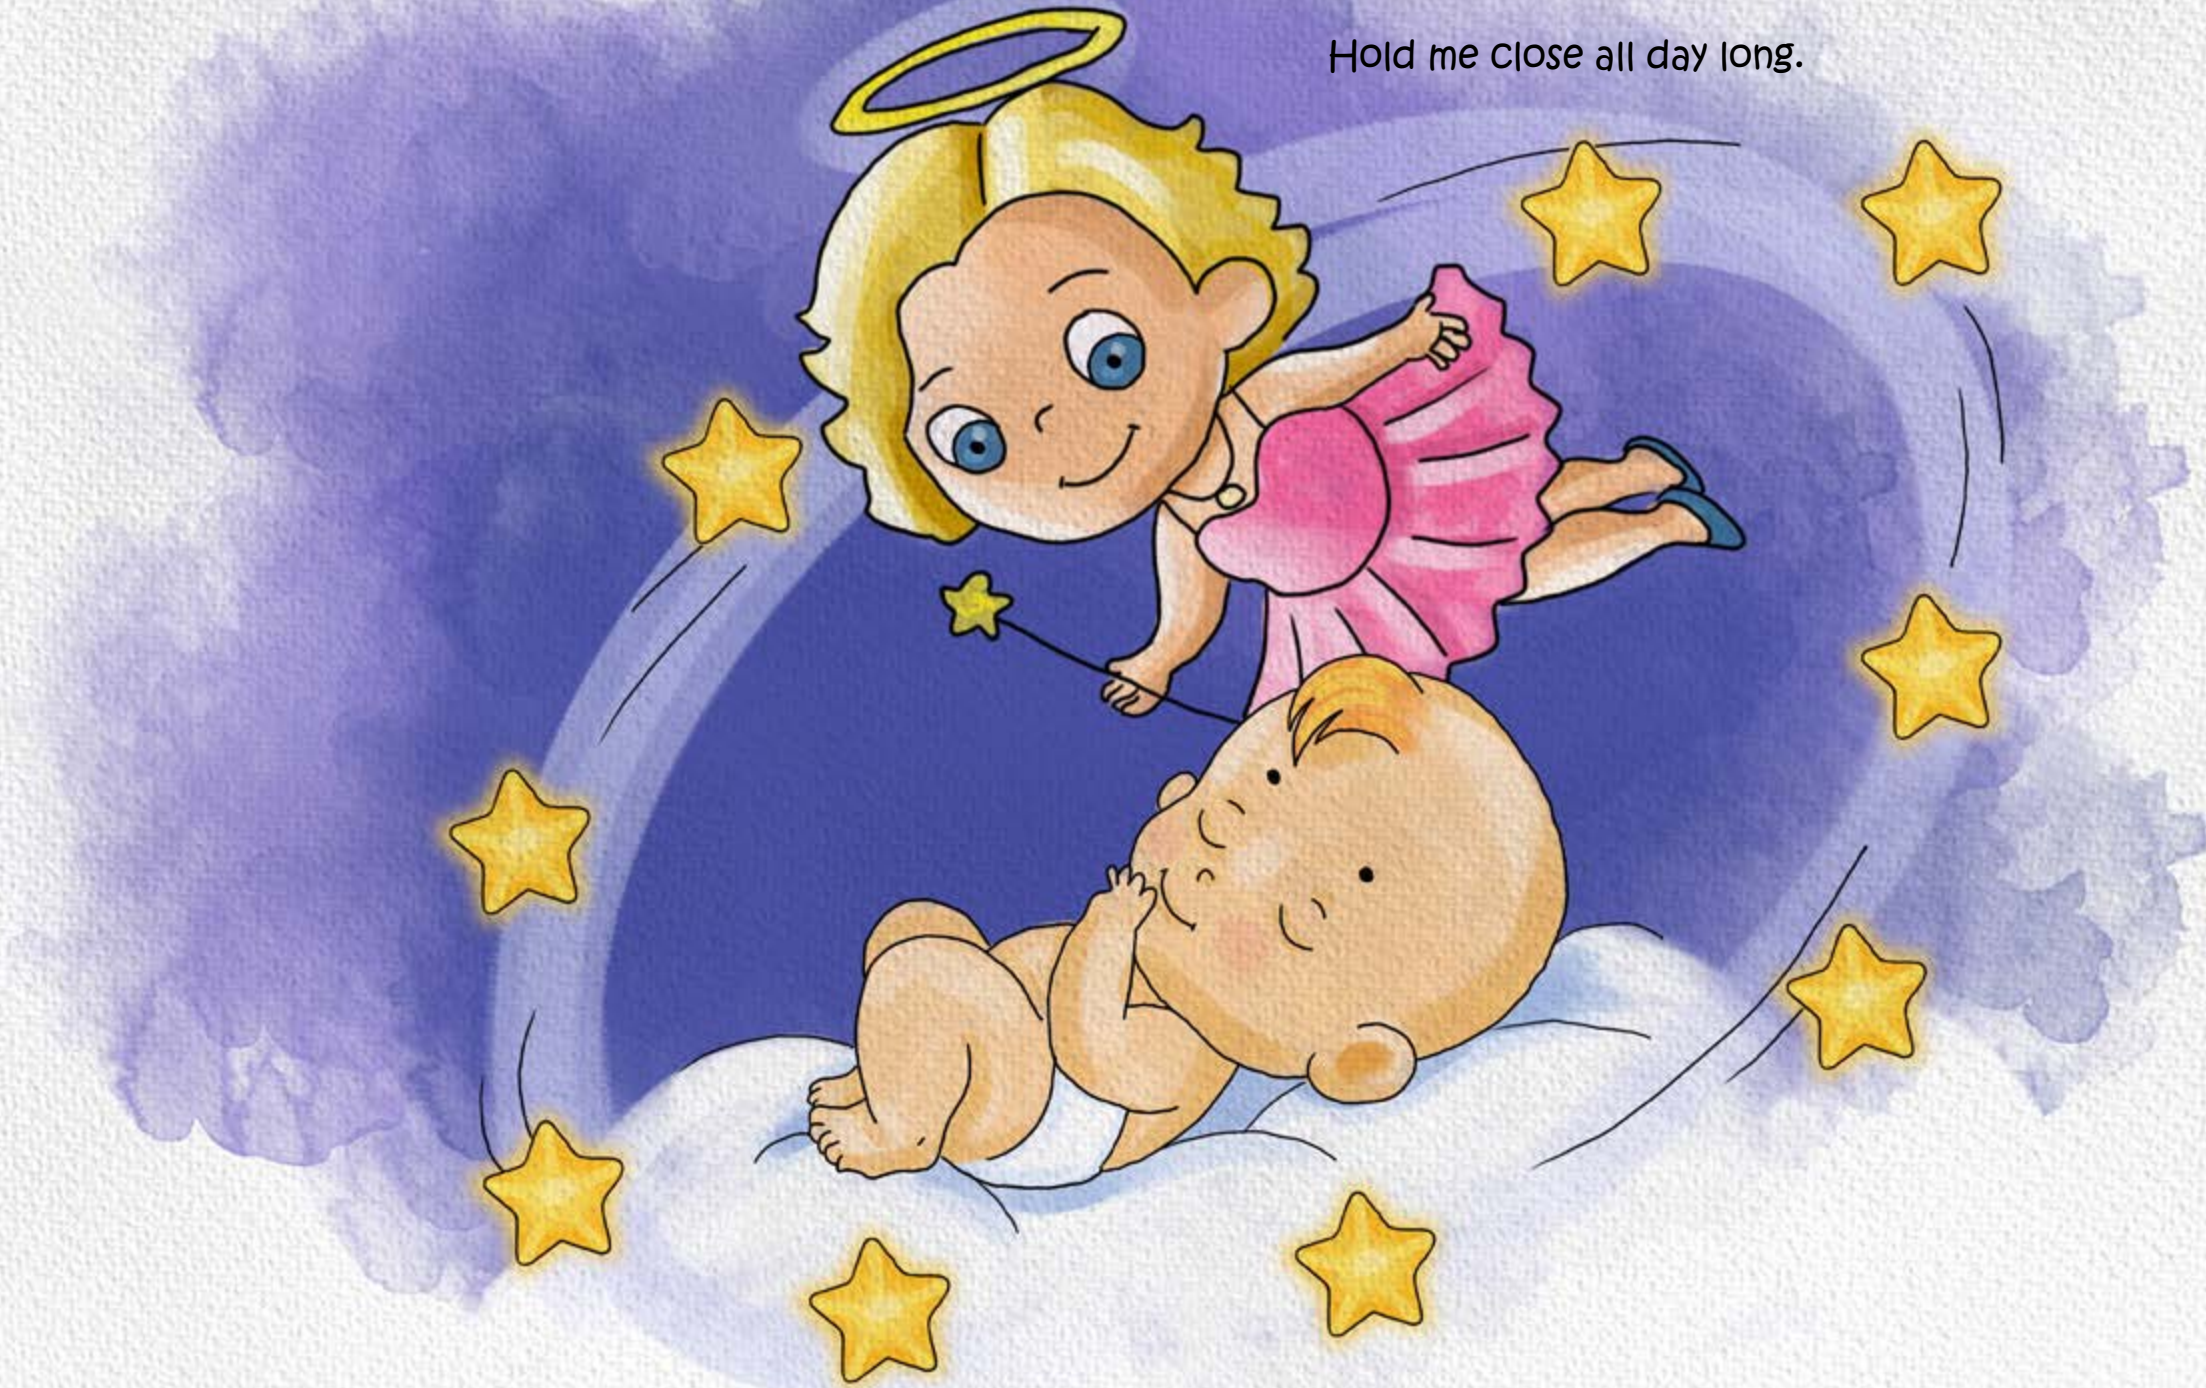

I feel the love,
Through yet another day,
The comfort that it brings.

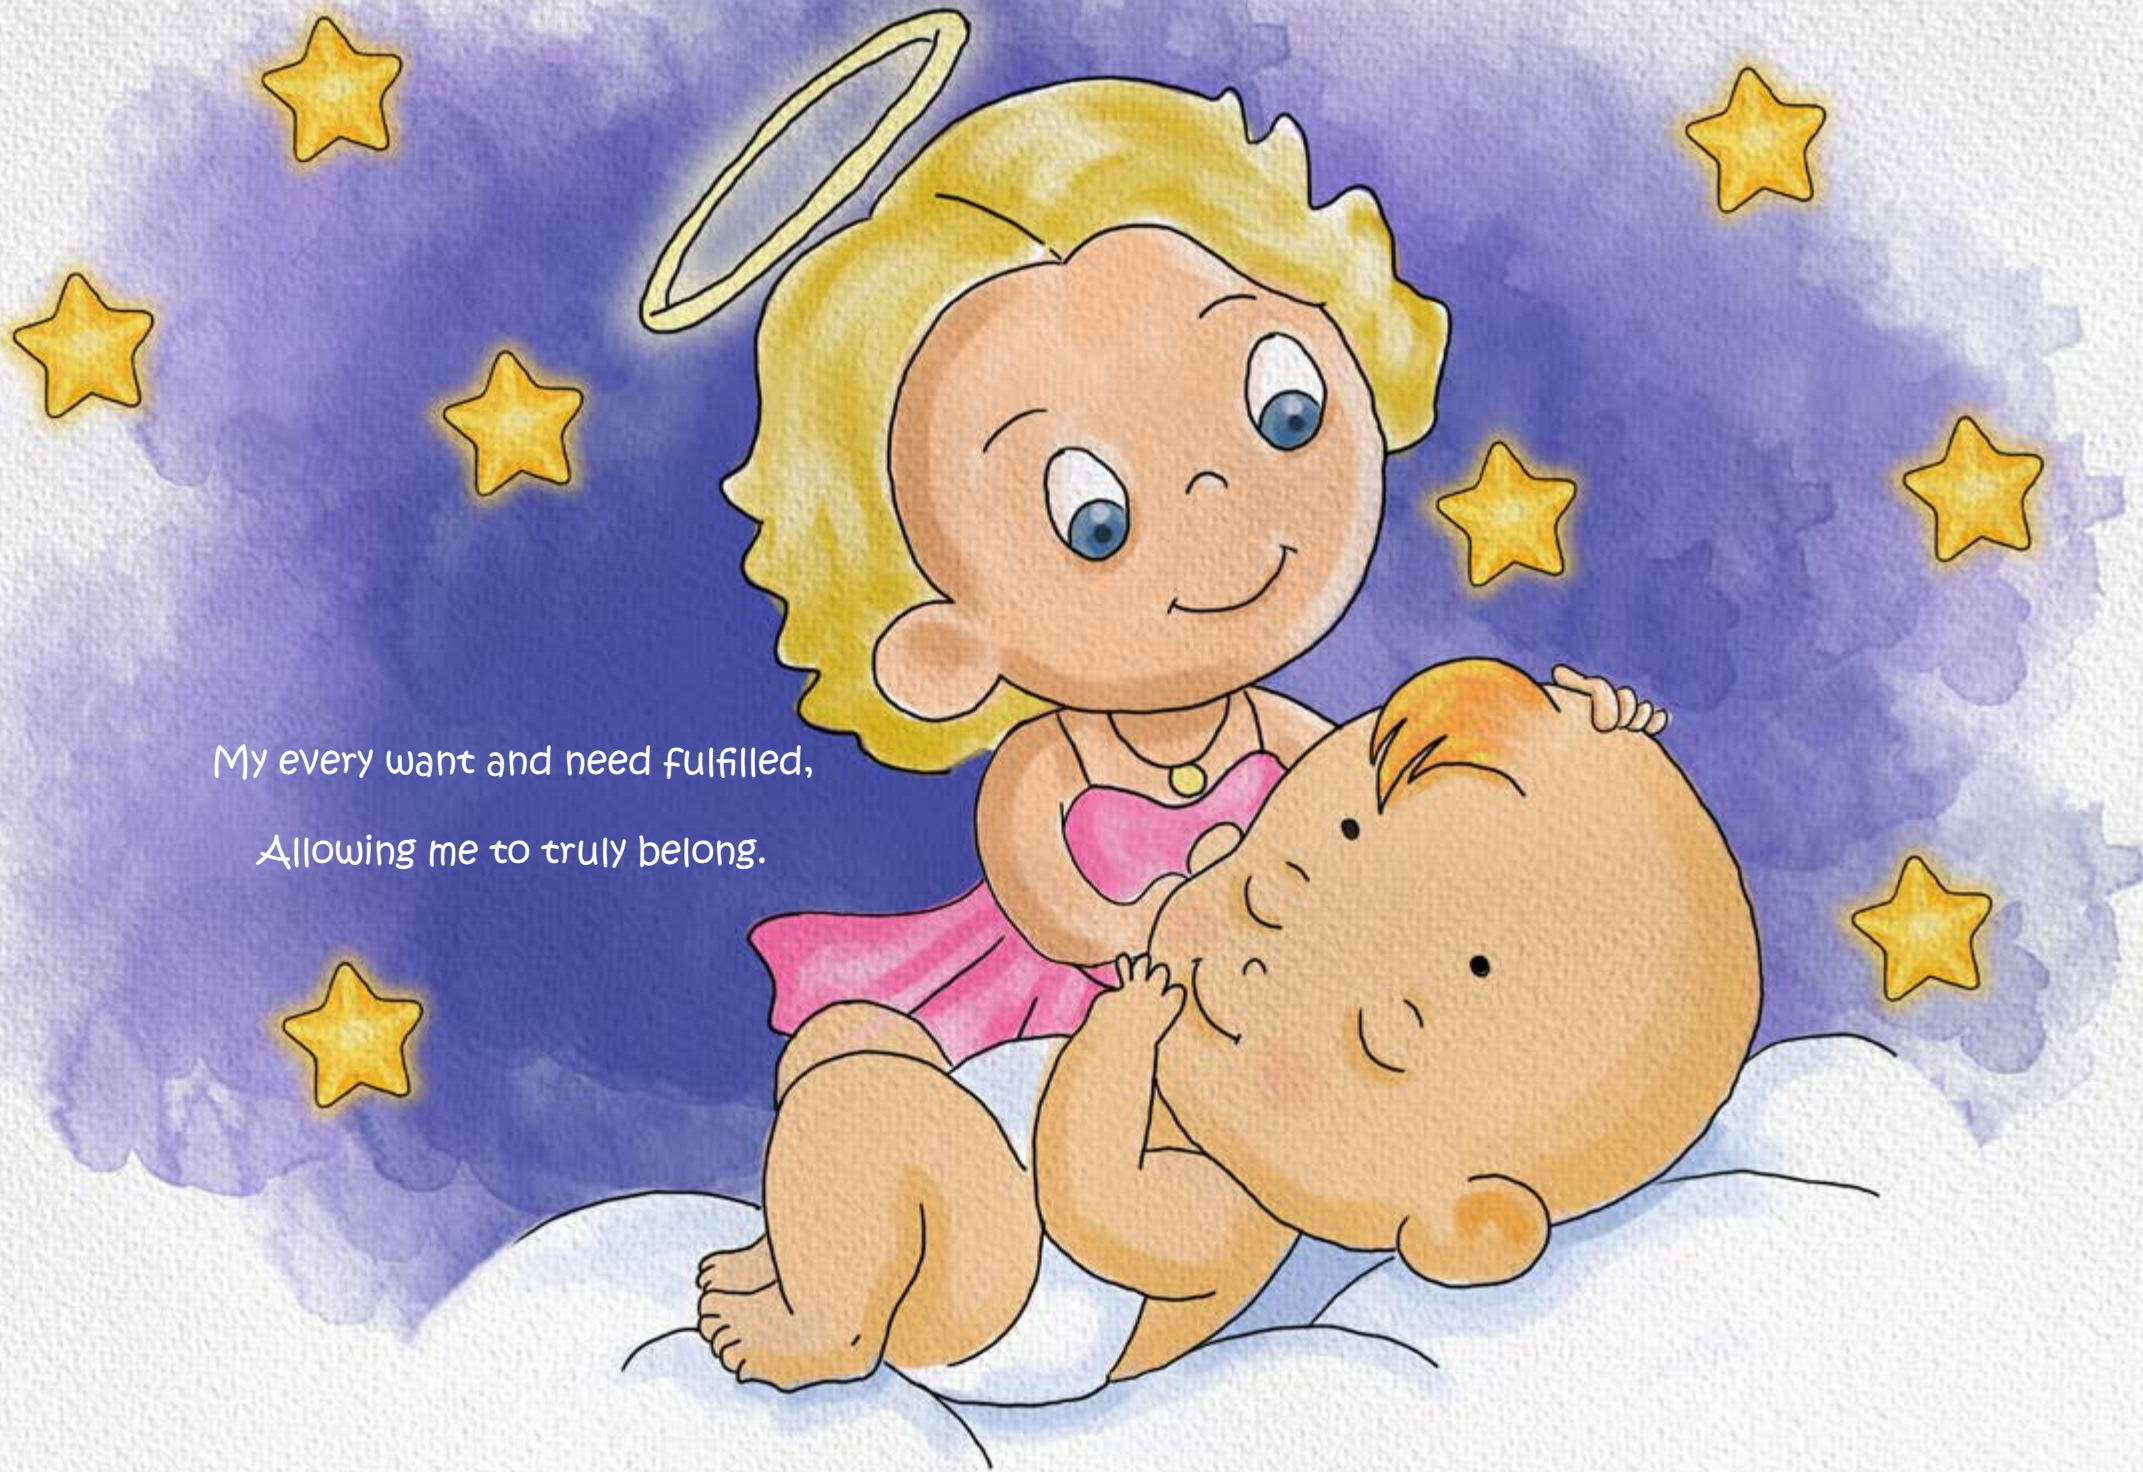

Love-filled voices,
Soft and tender caresses, long.

They sing to me like the stars at night,
Hold me close all day long.

My every want and need fulfilled,
Allowing me to truly belong.

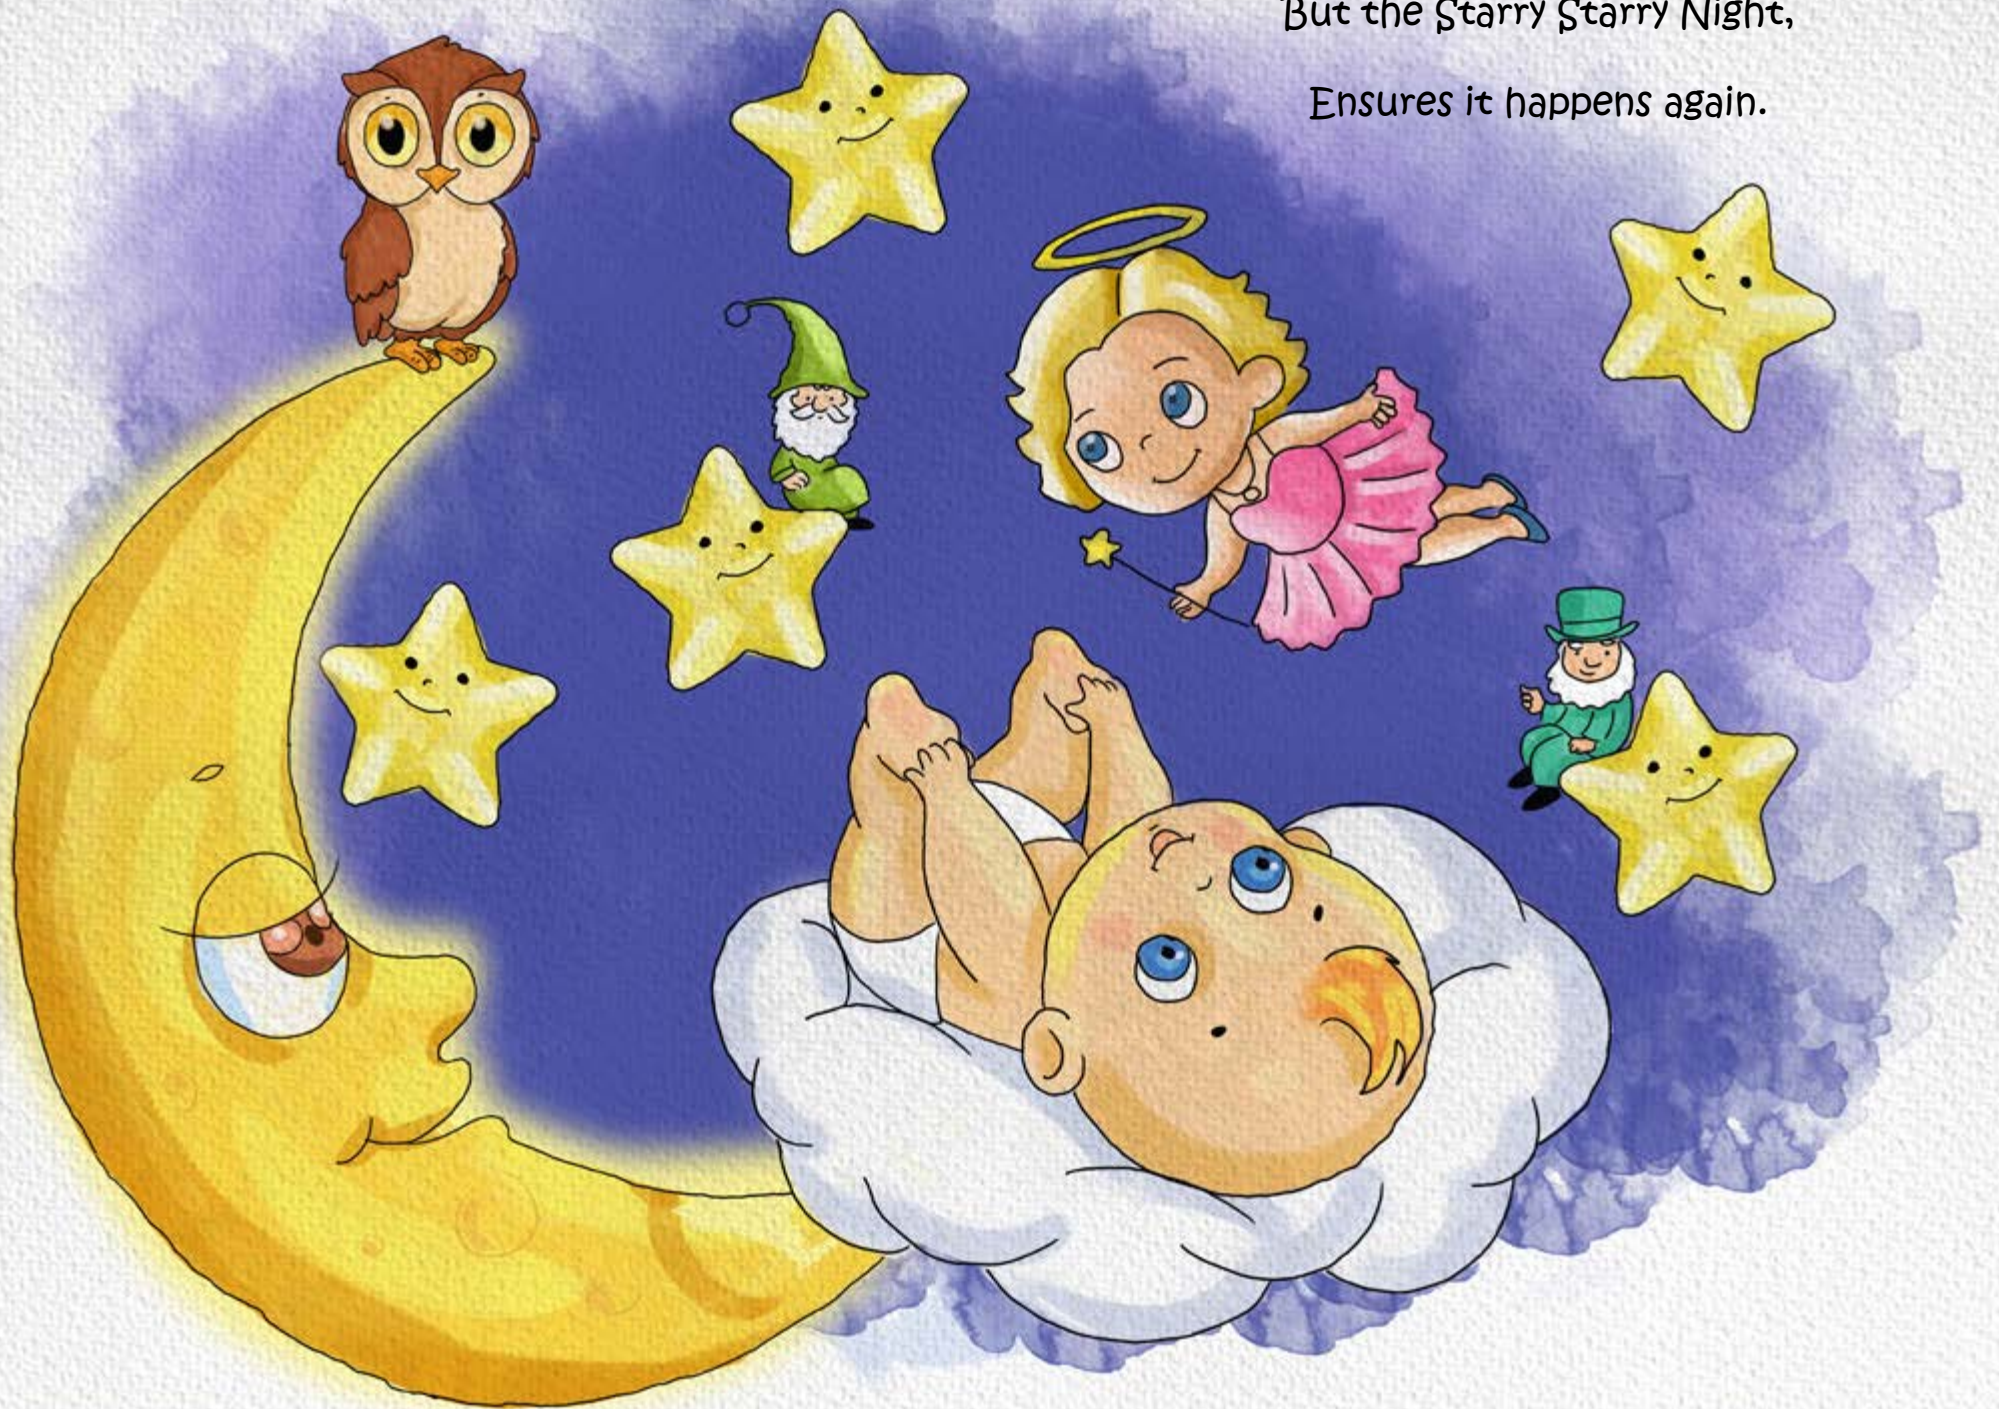

I can't remember how,
I can't remember when.

But the Starry Starry Night,

Ensures it happens again.
